Payments

1.1 Proxynode does not have to give a refund if the customer has agreed to the terms and conditions.

1.2 Proxynode releases the servers when payment is completed.

1.3 Proxynode may remove the servers if the customer has not paid within 3 days.

1.4 If a refund is requested through the payment companies, the servers will be removed immediately.

servers

2.1 Proxynode creates the server when the payment is made, Proxynode has 24h delivery time on the products it offers.

2.2 Proxynode may remove the servers when the gene lowers us.

2.3 Proxynode immediately removes the servers if criminal activities are found such as DDoS attacks.

2.4 Proxynode should never look at the servers of the customers unless requested by the customer himself.

2.5 Proxynode is not liable for the backups it must make.

2.6 As long as the website and the information and services on the website are provided free of charge, we will not be liable for any loss or damage of any kind.

MODIFY

3.1 Proxynode must notify for 1 week when said prices change on the website.

3.2 Proxynode reports everything to their customers if something is going to change or has changed.

3.3 Proxynode must report if they change things in the Terms and Conditions.

Downtime

4.1 Proxynode does not have to compensate for downtimes.

4.2 Proxynode may use downtimes to upgrade the servers.

overflows

5.1 Proxynode has to suspend the servers if an overflow is present.

5.2 Proxynode will at all times contact the current customer that caused the overflow.

5.3 Proxynode makes decisions if the server is allowed to be removed or not.

libel

6.1 Proxynode removes servers if the customer lowers us and commits damage.

Criminal Activities

7.1 If the customer carries out criminal activities with his/her product, proxynode may immediately remove the server.

7.2 Proxynode will always contact the product holder to explain the consequences.
